Thanks to everyone who participated this season and helped us achieve the results we did. Saturday evening was to acknowledge the team members but we have been very fortunate to have had other great supporters including, Tery & Deb Hardwicke (our photographers [www.silverdebster.com](http://www.silverdebster.com)) and spouses of paddlers such as Jason (Cirina's better half), Steve (Karyn's partner), Aaron (Sarah's husband) and numerous others. Jenny's daughter Libby called for us at the Auckland regatta, former paddlers Sarah (Sez) Mckay and Angela McDonald came to Auckland to support as various other EW staff did at the various regatta's. My apologies to anyone I've missed.
